2. Company/ Organization fills in a JAF (Job Announcement Form) containing details of the job offer (pay package, place of posting, allowances and other bonuses) using their official mail address. JAFs can also be sent either by post or email to Placement Cell/ Office.
3. If the company/ organization wishes to conduct a Pre-Placement Talk (PPT) they can send a request along with the preferred dates.
4. The JAF is made available online to the students, along with any other information furnished by company organization.
5. Placement Office allots dates to companies for campus interviews based on various details given by companies. The company/ organization will confirm the dates with the Placement Office.

Note: The placement office records jobs corresponding to the students selected. Students once placed may not be allowed to appear for other interviews as per the institute placement policy.

* The Job Announcement Form provides the primary basis of communicating the details of the positions offered to the candidates. It is therefore, highly desirable that the Form is completed in all respects and it would be advantageous if it were accompanied by relevant company literature with more details about the company.

**Companies are allotted dates based on the ranking of the job offer. The job offer is ranked based on the following parameters:

- Compensation Package
- Growth Prospects in the job
- Past record of recruitment at JNCT

The data provided by the companies through the Job Announcement Form, company brochures including financial statements, etc. are made available to the students to decide the ranking. Hoping for your kind co-operation for a bright and blooming placement season.
